## 34<sup>TH</sup> ANNUAL GOLF CLASSIC

The Maritime College Alumni Association (MCAA) is pleased to announce our **Thirty-Fourth Annual Golf Classic** is scheduled to take place on Monday, **June 12, 2023**.

Returning to **Nassau Country Club** for the first time since 2012, we hope you will join us for a great day of camaraderie, and friendly competition.

You will enjoy 18 holes of golf at the historic Nassau Country Club. Our participants enjoy a full breakfast, lunch, cocktail hour, followed by dinner, and auction. The evening will conclude with a brief program offering gratitude to our sponsors and dedicated volunteers.

***Tickets for the cocktail hour and dinner without golf are also available.***

Always one of the MCAA's most popular events of the year, we expect registration to sell out quickly. We are **capped at 120 golfers**, so don't hesitate to secure your place on the green. If you are a Fort Schuyler graduate, a recognized name in the maritime industry, or you work for a company that benefits from the talent coming out of Maritime College, you will want to join us at NCC on June 12th.

This premier event provides vital funding for Maritime College students and promotes MCAA's educational, networking, and scholarship initiatives. A portion of each registration and sponsorship is tax deductible.

Thank you in advance for your support.

Fraternally,

**Stephen Carbery '80**  
MCAA President
