ORIGINAL PREAMBLE OF PREDECESSOR ORGANIZATION

WHEREAS, for more than a quarter of a century, the NAUTICAL SCHOOL SHIP has been in existence in various of our States, with results that have not reached the expectations of its founders, it is assumed by some that lack of encouragement and the absence of wise counsel of older seafaring men have been among the most potent factors in obstructing the faithful endeavors of the worthy men who devoted so much of their time and talents to equip our young men for the calling of the sea,

THEREFORE, an Alumni Association can be of great value to the young graduate, entering upon a career on board the American Merchant Ship and do much toward restoring the old time prestige of the Stars and Stripes to the seas, and keep the Empire State to the front in the great forward movement of our MERCHANT MARINE.
