FORT SCHUYLER MARITIME ALUMNI ASSOCIATION, INC. dba Maritime College Alumni Association 2019 ANNUAL REPORT

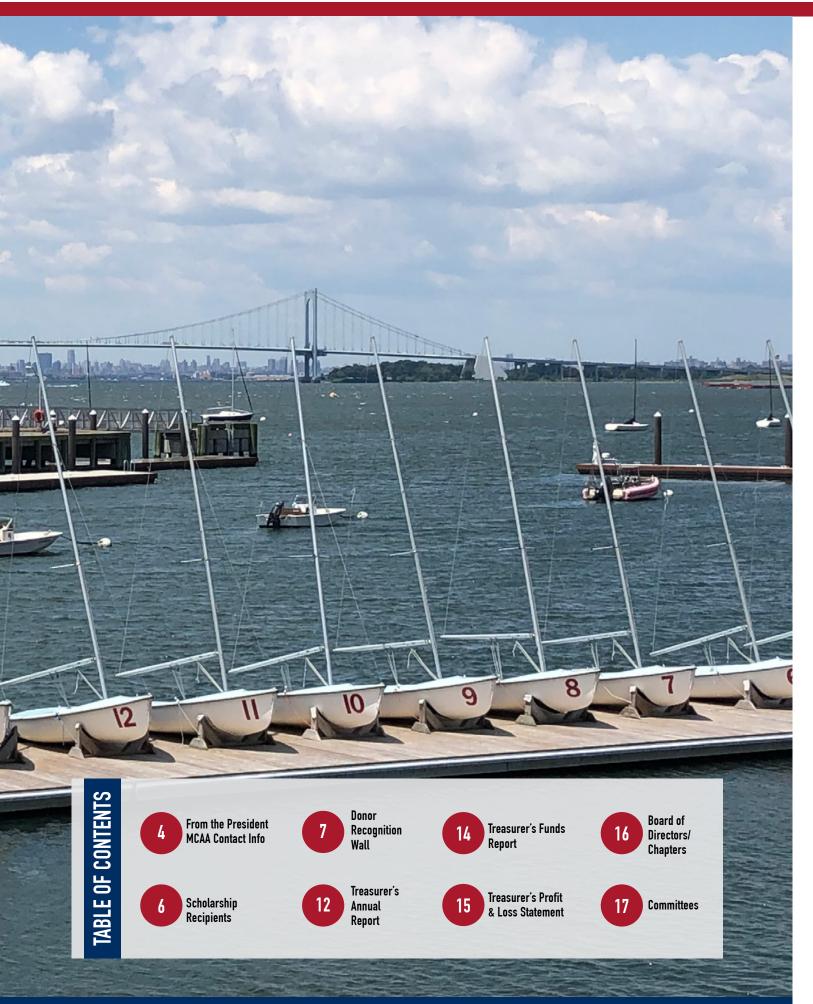

"The sea is selective – slow at recognition of effort and aptitude, but fast in sinking the unfit."

Dear Fellow Glumni

"It was the best of times, it was the worst of times, it was the age of wisdom, it was the age of foolishness, it was the epoch of belief, it was the epoch of incredulity, it was the season of Light, it was the season of Darkness, it was the spring of hope, it was the winter of despair, we had everything before us, we had nothing before us..."

It is difficult for me to imagine more appropriate words in which to describe the lens, of the prophetically numbered year 2020, that we must use to view 2019. The purpose of my letter in the 2019 Annual Report is to address all of the successes and achievements we attained in 2019. But I cannot do that without the perspective of the situation in which we now find ourselves.

But 2019 was an incredible year for the Association. And it was due to the steadfast efforts of our Board and the dedicated diligence and patience of our volunteers and staff, in particular, our Director Saira Yoo. Our successes included an increase in membership by 16% from 2018, and by 59% from 2017; increased participation in events by an average of 12%; historical financial gains under the leadership of Treasurer John Valvo '83 highlighted on pages 12 -15; successful collaboration with the College and with the Foundation. We were invited to participate in many industry programs, the College's recruiting efforts for prospective students, and the College's mentoring efforts for the various majors of the current student body, and we were guest speakers at major events of the College including as industry panelists sharing our particular subject matter expertise.

We worked diligently to expand our communication efforts and increase our presence through different communication platforms, and we continue to do so. The new website will be unveiled during the summer of 2020. We are increasing our presence in the chapters and are working to create structure in order to assist in chapter growth. And we are giving of our time, talents, and money in record numbers.

We appreciate the increase in donations of 39% to The MCAA Underway Fund, which is an unrestricted fund that allows the MCAA to apply funds in the most effective way possible that any one moment might present throughout a given year; this contrasts with the majority of our funds which are confined to very specific restrictions defined when the funds were created and serve their own beneficial purpose for many years to come. To protect ourselves and reduce liability exposures for the MCAA and College, we instituted a social media policy for Board Members - one very similar to those in all industries today. We are proud to have opened up the MCAA committees to all alumni, not only to those serving on the Board of Directors. Please see page 17 for the listing and mission of all committees to see if you might be able to devote your time and talents to an aspect of a committee in 2020.

CORPORATE PURPOSE

The purposes of the Corporation, in addition to and consistent with those set forth in the Certificate of Incorporation, include:

- Promoting CAMARADERIE among the alumni
- Providing a forum in which all alumni can network and enhance their PROFESSIONAL GROWTH
- And advancing the professional interests of the alumni and the Maritime College at FORT SCHUYLER COMMUNITY at large.

Admiral Mike Alfultis, his wife Kim, and the staff in his leadership circle have been stalwart supporters of the Association's efforts to redefine itself in this new collaboration, and we are grateful for their encouragement and assistance. The Admiral believes the best in us, and we must meet that expectation.

For inspiration during these times, I have turned to historical figures whom I admire. Winston Churchill once said, "When you are going through hell, keep going", and George Washington once said "Providence has done much for us in this contest, but we must do something for ourselves, if we expect to go triumphantly through with it." They know whereof they spoke.

And we are now faced with our own global challenge. And from what I have seen and heard from fellow alumni, we are uniquely trained to meet this pandemic. From our classmates who are in hospital facilities and are working tirelessly to keep their facilities working at optimum capacity and assisting in setting up field hospitals, to our classmates who work in utilities and are keeping us safe in our homes with light and heat, to our classmates who are in the supply chain and are continuing to keep our goods available to us, to our classmates who are in the transportation industry and are continuing to keep us moving and our goods and essential services moving, to our classmates who continue on projects of construction and design that are considered essential for national security, to our classmates who are in law enforcement and the armed forces and are keeping us safe from any and all domestic and global threats, to our classmates who reach out with a phone call to alumni who are alone and isolated, and to all classmates who are watching and waiting and will rise to the challenge when called upon, **we are One Hand**.

ARITIME COLLEGE

April 22, 2019

Dear Maritime College Alumni Association,

I am sincerely honored to be the recipient of the MCAA scholarship named in honor of Captain William Sembler '52. The scholarship has helped alleviate the financial burden of college and serves as a testament to all of the hard work that I have put in.

I chose SUNY Maritime to fulfill my dream of becoming a Merchant Mariner. The consistency and dedication that SUNY Maritime demands have helped shape the man I am today. A house is only as strong as its foundation, and SUNY Maritime has granted me the knowledge and capabilities to build upon for the rest of my Maritime career. If shand not to be grateful when you are in the middle of the ocean, looking up at the Milky Way and plethora of stars throughout the sky.

Choosing to attend Maritime was one of the best decisions of my life and has provided me with unique experiences and promising future. My goal is to one day become a Captain of a vessel and represent SUNY Maritime the way it should be - with honesty, integrity and valor.

Very respectfully,

Cadet Brendan F. Mallon

Maritime College Alumni Association 236 Ernston Rd. Parlin, NJ 08859

Dear Maritime College Alumni Association,

I would like to thank the Maritime College Alumni Association for selecting me as the recipient of the MCAA Engine SST Scholarship honoring Chief Edward Pfleqing. I am incredibly honored to be chosen as the beneficiary of this scholarship, and am immensely appreciative of the generosity of the MCAA members who made this possible. Your impact goes beyond financially assisting me with summers at emb vg jving me security through the next period in my life and validating the hard work I have put into my years at Maritime.

Upon completing this final cruise, and sitting for the Coast Guard license exams, I will be enrolling in graduate school – I would not be looking forward to such a bright future if it wasn't for the unique experience provided by Martime and the license program. Working on the training ship, paired with my dgere in Facilities Engineering, has provided ne with hands-on learning and instilled in time a strong work ethic that will aid me in years to come. I will carry with me the memories of long days in the engine room following steam, field oil, theo il lines and more, followed by long nights drafting and finalizing my tracings, In the future, as I complete my graduate degree and work towards upgrading my license, I will be aided by the knowledge and presonal growth I gained here. Thank you for supporting my education, I hope I would have made the Chief proud.

Very respectfully, Cadet Margaret Reynolds 1/C

TREASURER'S ANNUAL REPORT

December 31, 2019

For the second time, we are issuing a dedicated Annual Report to you, the membership. In the past, we have distributed our financial status of the Fort Schuyler Maritime Alumni Association through the *Mariner* magazine. With the renewed relationship with SUNY Maritime College and the issuance of a joint alumni magazine – The *Fort Schuyler* – we felt it best to issue the financial status in this manner.

To provide a refresher for some, the Fort Schuyler Maritime Alumni Association (FSMAA) received authorization from New York State to conduct business under the name Maritime College Alumni Association (MCAA). For legal filings, the FSMAA name is required, so you may see the two names interchanged on occasion.

This Treasurer's Report summarizing the MCAA's financial situation comes with excellent results in fiscal year 2019. Our total support to the College for fiscal year 2019 was \$245,496 and our net income was \$98,951 (unaudited).

Highlights of 2019, Year-on-Year to 2018:

- Membership Increase of 16%.
- Underway Fund Increase of 39%.
- MCAA total support to the College of \$245,496.
- Awards Dinner Increase of 46%.
- Golf Classic Increase of 13%.
- Ancient Mariner Golf Decrease of (73%).
- Annual Gross Expenses 12% under-budget.

The Class of 1965 proudly poses with two of their four class scholarship recipients for 2019. Phil Kantz, Harry Stumme, Cadet Mackenzie Fabiani, Dennis Schroeder, Cadet Brian Reid, Gerhardt Muller, Bob Getty.

The independent auditor Condon O'Meara McGinty and Donnelly LLP audited our financial statements from 2018 and expressed that our books are in good order. The auditor considered our internal controls to the extent they believe necessary to determine and conduct the audit to render an opinion. They found no significant deficiencies or material weaknesses during their audit, and there were no adjustments made, a trend we are committed to continuing. Our internal controls ensure transactions are authorized, executed and recorded properly.

Bookkeeping duties are performed by Verma Associates. Kamal Verma puts in an enormous amount of time and effort into the Association – the monthly income and expense monitoring, as well as the 2018 audit, as he will for the 2019 audit. Kamal has been with the FSMAA since 2011 and is very dedicated to the organization.

Below are the highlights of our financial standing for the year ended December 31, 2019:

• The market turnaround from 2018 to 2019 greatly improved the values at year-end of our funds managed by Fiduciary Trust International (FTI) – overall the portfolio increased in excess of 25% vs 2018 closing values (even after withdrawal of Interest and dividends for SST Scholarships!)

In 2019, we distributed a total of **\$238,996** to students to help defray the costs of the Summer Sea Term. These scholarships were distributed to 47 deserving cadets. First-Class cadets received \$5,000 scholarships for their 90-day cruise. Two cadets received the full cost of the Summer Sea Term in scholarships (\$10,556 in-state and \$11,430 in-region) dedicated to Chief Edward Pfleging and Captain William Sembler '52. This scholarship money is the result of the interest and dividends from 27 of the endowment funds under our care and supplemented by the generosity of our Alumni Association membership. Included in the SST awards is the Class of 1965's Scholarships for 2nd Class Cadets (2 Deck and 2 Engine). The balance of 2019 awards issued include the Class of October '46 Tomb Speaker Series (Support for the College) and the Charles Balancia Scholarship given to an incoming 4th Class Cadet.

Since 2004, the FSMAA has donated over **\$3,177,944** to the cadets and the school.

All of our events were successes in 2019 with the main events consisting of the June Golf Classic which brought in a profit of \$69,866 (after adjusting for 2018 Sponsorship) and the Annual Awards Dinner which brought in a profit of \$69,120. The Ancient Mariner Fall Golf outing netted \$2,797, falling short of our goal. Various social and networking events throughout the year (Spring and Fall Networking socials, Paddy's on the Bay) resulted in a slight gain. Alumni support for these events is strong as shown by the consistent turnout with many of the events reaching maximum capacity. Our sponsorship of these events is an area in need of improvement.

Membership increased by 16% during 2019 as we continue to expand our reunited relationship with the College! If you have recently paid your dues for 2020 to continue your membership, thank you! If you haven't yet paid your dues, I hope you will consider

- The end-of-year balance for our FTI funds was \$9,852,335.
- FTI funds value increased by **\$2,008,262** in 2019, and the Chase accounts earned **\$48** in interest.
- The three accounts (2-checking & 1-high-yield savings) at Chase Manhattan total **\$285,156**.

doing so in the future. Your support is needed for our Alumni Association to continue to thrive. If you have not attended a recent event, please consider doing so. If you know a fellow alum who is not a member, encourage him or her to attend an event with you.

The consolidated financial statements in this report accurately reflect the organization's financial position, results of operations and workflows.
