Every connection launches the next generation of mariners.

Annual Report

FORT SCHUYLER MARITIME ALUMNI ASSOCIATION
Doing Business As (DBA):
MARITIME COLLEGE ALUMNI ASSOCIATION

Reflections on 2024

Strengthening Connections and
Advancing the Legacy of the
Maritime College at Fort Schuyler

A year in review

The Maritime College Alumni Association (MCAA) marked 2024 as a year of growth, engagement, and lasting impact. Under the leadership of President Stephen J. Carbery '80, the Association deepened connections with alumni and strengthened support for Maritime College students and programs.

The year featured a full calendar of events bringing the Maritime community together. Highlights included the **Distinguished Alumni Honors Dinner** at Tribeca 360°, where Joseph P. Starck '90 and Captain Robert Cook '80 were recognized for their achievements; the **35th Annual Golf Classic** at Plainfield Country Club; the Ancient Mariner Golf Outing, Homecoming Weekend, and several networking gatherings in New York City. New initiatives such as the **Privateer Recruitment Officer Program (PROP)** engaged alumni in outreach and mentorship, extending Maritime's reach to future cadets.

Financially, the MCAA remained strong, with its investment portfolio surpassing **\$13.5 million**, a **12.77% increase** from 2023. Over **\$532,000** in scholarships supported **107 cadets**, including two full-ride Summer Sea Term awards honoring Professor Sembler and Chief Pfleging. New scholarships—such as the **Detective Jonathan Diller '14** and **Patrick Baeszler '14** awards—reflected the continued generosity of alumni.

Looking ahead, the MCAA aims to expand chapters, enhance communications, and grow engagement opportunities. Through steadfast membership, mentorship, and momentum, the Association continues to advance its mission and support the next generation of mariners.

Corporate Purpose

Fostering alumni camaraderie, professional growth, and advancing the interests of the Maritime College community.

Strive, through an ongoing program of communication and events, to preserve the camaraderie and pride that binds graduates of the Maritime College at Fort Schuyler together.

Provide opportunities for alumni of the Maritime College and its predecessor institutions (collectively, the "Maritime School at Fort Schuyler") to offer financial assistance to students of the Maritime College by awarding fellowships, scholarships, grants-in-aid or loans, and by participating in programs designed to enrich their physical, mental and moral life.

Commemorate the lives of alumni, faculty and students of the Maritime College who have rendered distinguished educational, patriotic or other public services.

Foster the organization of, cooperate with, and exercise the general supervision over the Chapters of the Corporation.

Provide financial, moral and political support to the Maritime College.

Message from the President

Dear Fellow Alumni,

It is my privilege to present the Maritime College Alumni Association's Annual Report for 2024. This past year has been one of dynamic growth, renewed commitment, and enhanced engagement.

We continue to strengthen our bonds with each other and with our alma mater in challenging financial times. Throughout this report, you will read about our initiatives, events, and the impact of your generous support on our students and the College community. We stay committed to fostering lifelong connections among our alumni and supporting the College's mission to educate and train the next generation of maritime professionals.

2024 Highlights

Outreach and Events

We hosted many events this past year, keeping our fellowship united across great distances through lingering pandemic concerns. At our annual Distinguished Alumni Honors Dinner, held on Thursday January 25, 2024, at Tribeca 360° in Manhattan, we honored two alumni for their outstanding achievements in the maritime industry. Joseph P. Starck '90 as our Distinguished Alumnus of the Year and Captain Robert Cook III '80 was honored with a Lifetime Achievement Award.

MCAA President, Stephen J. Carbery '80 with Joseph P. Starck '91 (left) and Capt. Robert Cook '80 (right).

On behalf of the Maritime College Alumni Association, I offer sincere thanks to our donors, corporate sponsors, volunteers, and staff whose dedication made this year a true success. Their generosity sustains our mission and advances our commitment to the next generation of mariners.

2024 Highlights continued...

On May 8th, over forty New York area alumni enjoyed an evening of camaraderie and networking during our Spring Networking event held at Pennsylvania 6 in Manhattan. A fantastic evening of connections and conversations, with alumni from across the decades came together in fellowship and support.

Our 35th Annual Maritime College Alumni Association Golf Classic took place June 10, 2023, for the first time at the prestigious Plainfield Country Club in Edison, New Jersey. One hundred golfers enjoyed a wonderful round of golf, followed by cocktails, dinner, and our golf awards ceremony. This continues to be the premier maritime industry golf event in the New York metro area.

On July 1st, we proudly welcomed to campus Rear Admiral John Okon '91 USMS (USN Retired) as our 12th president of SUNY Maritime College. Rear Admiral Okon is joined by his wife Valerie Gessner Okon class of 1992.

On Monday September 16th, we held our first Privateer Recruitment Officer Program or PROP Training program. 12 alumni volunteers came back to campus to immerse themselves in life at SUNY Maritime College today to prepare them to speak to today's prospective college applicants.

We kicked off Homecoming Weekend with our Annual Ancient Mariner Golf Outing on October 18th, 2024, at the Pelham Bay & Split Rock Golf Courses. One hundred fourteen golfers enjoyed a brisk fall day followed by cocktails, dinner, and awards.

Saturday, October 19, marked Homecoming Day as the Class of 1974, celebrating their 50th graduation anniversary, marched smartly into St. Mary's Pentagon followed by the MUG class led by their IDOs. Reunions for the classes of 1969, 1964 and 1959 also participated in the Pass & Review ceremony. We also honored the latest Heritage Hall inductees included Dr. Richard Burke '72 and Kevin Tokarski '84. A packed-house Association Annual Meeting was conducted at 1230 hours which was followed by tours, tailgating and football. The day concluded with a reception at Paddy's On The Bay at 1600 hours generously sponsored by the Gerson family. It is always wonderful being back on campus at Throggs Neck on the Peninsula of Opportunity!

November 26th saw our 2024 Networking & Nominations meeting at Reichenbach Hall on 37th Street in Manhattan. We received nominations for officers and our board of directors for our 2024-2025 elections. We thank all who have served in the past and those that remained involved in important committee work.

President's Message Continued...

Supplementing our in-person events, we expanded our online outreach efforts and grew our social media presence in 2024, keeping alumni informed and engaged with the Association and the College.

Chapters

Thanks to the work of Seth Lucas '01 our Chapters & Membership Committee Chair, we continue to strengthen our organization through expanding our chapters across the country and internationally.

Scholarships

Thanks to your generosity, we raised \$214,462.04 through our 2024 SST Appeal to support cadets preparing for the Summer Sea Term. We continued to manage our endowed and restricted scholarship funds prudently, resulting in over \$215,000 available from 4% draws against long-term endowed funds valued at over \$13.5 million. These funds help ensure our support remains steady and impactful.

Financial Summary

Our investment portfolio grew steadily in 2024, closing the year at \$13,535,506.44 — a 12.77% increase from the start of the year, and a 25.79% increase over two years. Our portfolio is allocated across 73.49% equities, 19.51% fixed income, and 7.0% short-term holdings, benefiting from strong performance in both the S&P 500 and Russell 1000 Growth indices.

Looking Ahead

In 2025, we aim to expand our offerings and engagement opportunities for alumni. Our goals include:

- Working with the College Admissions department to assist them with potential student applicant outreach to increase enrollment through our PROP program.
- Strengthening our speakers' program to connect more students with experienced alumni.
- Strengthening our chapters to extend outreach communication with alumni.
- Developing new in-person events to accommodate diverse schedules and interests nationwide.
- Enhancing our communication platforms to keep alumni informed and involved.
- Upgrading our website and database to allow graduates to update their information and allow alumni searches for friends and colleagues.

Your continued support is crucial in helping us achieve these goals.

Acknowledgments

We extend our heartfelt gratitude to our donors, corporate sponsors, and our staff who made this year a real success. Special thanks to our volunteer board of directors and committee members for their leadership and commitment to our mission.

For more information or to get involved, please contact us at Director@maritimecollegeaa.org or President@maritimecollegeaa.org or visit our website at www.maritimecollegeaa.org.

Thank you for your continued support and for being part of our vibrant community. But most of all, thank you for being part of the SUNY Maritime College Alumni Association!

Sincerely,

Stephen J. Carbery '80
President, Maritime College Alumni Association

In his second year as president, Stephen J. Carbery '80 reflects on a year of progress, momentum, and renewed connection within the alumni community.

Scholarship Giving

Greetings fellow Alumni!

This Scholarship Giving Report summarizes the MCAA’s financial Scholarship Awards in fiscal year 2024.

In 2024, the MCAA distributed a record amount of **\$532,990** to students to help defray the cost of the 2024 Summer Sea Term, awarding to a total of **107 deserving cadets**. Two cadets received the full cost of the 2024 Summer Sea Term Tuition (\$12,995 in-state). These two Full Tuition Scholarships were presented in the names of Chief Edward Pfleging and Captain William Sembler ‘52. First-Class cadets received **\$6,000** scholarships towards their cruise tuition, equating to covering almost 50% of their tuition! SST Scholarship Awards were opened up to 3rd Class Cadets this year for the first time. We were able to award \$2,000 Scholarships to 28 Third Class Cadets. **How great is that!** This scholarship money is the result of the financial growth of the many endowment funds under our care and supplemented by the **generosity** of our Alumni Association membership. Refer to the Treasurers Report for details on the various Fund Performance.

Included in the SST awards:

- Class of ‘65’s Scholarships for 2nd Class Cadets (2 Deck and 2 Engine), each in the amount of \$5,000.

A few new Scholarships were added this year:

- The Detective Jonathan Diller Class of 2014 Scholarship award was presented to a 1st Class Deck Cadet in the amount of \$6,000.
- The Patrick Baeszler Class of 2014 Scholarship awarded \$4,000 each to 3 Staten Island Cadets.
- The Class of ‘83, having-co-joining with Class of ‘65, awarded their Inaugural Class of ‘83 Scholarship in the amount of \$5,000 to a deserving 3rd Class Deck Cadet.

In addition to the Summer Sea Term Scholarships listed above, several scholarships were issued throughout the year:

- The Class of October ‘46 Tomb Speaker Series (Support for the College) - \$5,000.00.
- The Charles Balancia Scholarship given to an incoming 4th Class Cadet - \$1,500.00.
- The Class of 1967 Academic Scholarship - two (2) Scholarship - \$4,500.00 each as well as a \$1,000 SallyPort Award to a Graduating Cadet.

Since 2004 the MCAA has donated **over \$5.4 million** dollars to the cadets and the school in the form of scholarships!

John Valvo, Class of ‘83
2024 Scholarship Chairperson

Since 2004 the MCAA has donated over **\$5.4 MILLION** dollars to the cadets, students and the college in the form of scholarships!

Full Ride Scholarships

Established in 1982, two full-ride Summer Sea Term scholarships have been awarded to First Class cadets. In 2014, alumnus Dan Gillette ‘97 proposed renaming the scholarships in honor of Professor Sembler and Chief Pfleging—two remarkable educators whose dedication and mentorship left a lasting mark on generations of Maritime students. Each scholarship fully covers the cost of the recipient’s First Class Cruise, regardless of tuition status, ensuring that financial barriers never stand in the way of this defining experience.

2024 Recipients

Griffin Goldleaf – Sembler
Marley McKenna – Pfleging

Make YOUR Impact

Sustaining Membership • SST Scholarships • Funds

Membership.
Mentorship.
Momentum.

Every connection
launches the next
generation of mariners.

The Alumni Association depends on the generous support of members and sponsors to fund scholarships, events, and operations. Alumni participation—especially through sponsorships of fundraising events—is essential to sustaining and growing the Association’s programs and advancing its mission. Opportunities are shared on our website, by email, and across social media.

Sustaining Membership

The foundation of support.

A sustaining, dues-paying membership is the most direct way to contribute to the Alumni Association’s mission. Your annual membership keeps you informed about upcoming events, connected with classmates and industry professionals, and engaged with the College community.

Most importantly, your membership helps the MCAA provide scholarships and programs that benefit cadets, students, and alumni alike.

Join or renew: www.maritimecollegeaa.org/membership

SST Scholarship Fund

Fueling the next generation.

Each year, the MCAA aims to award at least \$500,000 in scholarships to qualified cadets embarking on their 1/C and 2/C Summer Sea Term (SST). In 2025, we are projected to award close to \$600,000!

Most funding comes from endowment interest and dividends, with additional support from individual SST Scholarship donations.

Scholarship Endowment / Class Funds / Individual Funds -

Honoring our legacy of giving.

Donors may direct gifts to any established endowment held by the MCAA, including class or individual funds. Interest and dividends from these endowments are used each year to award SST scholarships, specific scholarships, and to fulfill other intentions outlined in the respective memorandum of understanding (MOU) with the donor or class.

Underway Fund

Keeping the mission moving forward.

Gifts to the Underway Fund strengthen the MCAA by supporting networking events, mentoring programs, and operating expenses that maintain a sustainable budget for the Association.

Ways to Give

To support any of these initiatives, visit www.maritimecollegeaa.org/donate or mail a check (noting your gift designation) to:

Maritime College Alumni Association

Bronx, NY 10465

A Legacy That Sails On

The Class of 1965 and Their Enduring Commitment to Maritime Cadets

**“We were horrified to learn how much students now pay for their Summer Sea Term,”
– Captain Callahan**

Nearly six decades after tossing their caps in the air, the Class of 1965 continues to leave an unmistakable wake at SUNY Maritime College—one defined by camaraderie, service, and an unwavering belief in supporting future mariners.

What began as a 50th class reunion gift has evolved into one of the Alumni Association’s most vibrant

and hands-on scholarship initiatives. Spearheaded by Captain James Callahan ‘65, the class’s scholarship committee meets quarterly, keeps classmates connected through newsletters, and continues to grow a scholarship fund dedicated to helping today’s cadets navigate the unique financial challenges of a Maritime education.

“We were horrified to learn how much students now pay for their Summer Sea Term,” Captain Callahan recalled. “When we sailed, it might have cost us a few hundred dollars. Today, cadets face costs of \$10,000 to \$15,000—and they can’t work over the summer to offset it. We wanted to help fix that.”

Anchored in Shared Experience

The Class of ‘65 built its fund around the heart of what makes Maritime College unique: the Regiment of Cadets, the Merchant Marine License Program, and the life-changing experience of the Summer Sea Term.

The Class of 1965 and Their Enduring Commitment to Maritime Cadets

Their scholarships specifically support second-class cadets, those midway through their journey at sea. “We felt that by the second-class cruise, these students had proven their commitment,” explained Callahan. “They’ve made it through the early challenges and are serious about earning their license.”

Each year, the committee awards two deck and two engine scholarships, currently valued around \$6,000–\$7,000 each, with a goal of one day providing full-cruise coverage. Recipients are chosen jointly with the MCAA Scholarship Committee, based on merit and dedication to the program.

“When classmates see the caliber of these young men and women, it inspires them,” said Callahan. “It’s not just about writing a check—it’s about being part of something that changes lives.”

Steady Course and Future Crew

As the Class of ‘65 embarked on their 60th reunion, its members have also been preparing for the future. Recognizing that time and tide wait for no one, they recently partnered with the Class of 1983 to ensure the mission continues long after their own watch ends.

The merged Class of ‘65/’83 Scholarship Committee, now fifteen members strong, is already sharing duties—from managing communications to mentoring successors. Each scholarship is awarded in honor of a deceased ‘65 classmate, preserving the stories and spirit of those who served before.

“Our goal is to make sure the fund keeps growing, even when we’re gone,” said Callahan. “We’ve encouraged classmates to include the scholarship in their legacy giving. It’s our way of keeping the class alive in perpetuity.”

Established: 2015 (50th Reunion)

Focus: Second-class cadets in the Regiment pursuing U.S. Coast Guard licenses

Annual Awards: Four scholarships (2 Deck / 2 Engine)

Goal: Full-cruise scholarships & perpetual endowment through legacy gifts

Partner Class: Class of 1983

Service Beyond the Sea

Captain Callahan’s own story mirrors the selfless ethos of his classmates. After graduating in Marine Engineering, he served 27 years as a commissioned officer with the NOAA Corps, commanding three vessels and later teaching government contract law for nearly two decades. His reflections remind us that what lasts from a maritime career isn’t just the work—it’s the people.

“People ask me what my best job was,” he said. “Without question—it was being Commanding Officer of a ship. The work was fascinating, but it was the people who made it unforgettable. It truly was like a family.”

Today, that same spirit of family defines the Class of ‘65’s relationship with Maritime College. Their steadfast commitment, personal involvement, and mentorship of a new generation stand as a testament to what can happen when shipmates keep steering together long after graduation.

Treasurer's Report

The MCAA remains financially strong and steadfast in its commitment to our cadets, students, alumni, and the mission of Maritime College.

Greetings, Maritime College Alumni - Community,

My name is Sam Reilly, Class of 1995, and I have the honor of serving as Treasurer of the Maritime College Alumni Association (MCAA). I am pleased to present the Annual Treasurer's Report for Fiscal Year 2024.

This report summarizes the MCAA's financial position for the year. I'm happy to share that, overall, we achieved positive investment results. The stock market performed well, and our managed funds reflected that growth.

That said, we experienced a net operating loss of \$38,454 in 2024. This was largely due to lower-than-expected revenue from our Annual Spring Golf Classic compared to prior years, along with higher operating costs in areas such as payroll and event expenses. Despite this, the MCAA remains in a strong financial position. The Board is reviewing strategies to increase revenue and better manage expenses in 2025.

Event & Revenue Highlights

- Annual Awards Dinner (January): Net profit of \$108,221
- Spring Golf Classic: Net income of \$56,425
- Spring and Fall Networking Events: Net income of \$10,682
- Total Gross Revenue (2024): \$252,290

- Net Income (2024): Loss of \$38,454 (vs. projected budget of \$290,744.62)
- Operating Expenses: Approximately \$19,885 per month (includes salaries, IT, and phone)

Scholarship Funds – Fiduciary Trust International

- Opening Balance (Jan 1, 2024): \$12,048,054
- Closing Balance (Dec 31, 2024): \$13,535,506
- Increase: \$1,487,452 (+12.77%)

Scholarships & Support Provided

In 2024, the MCAA distributed \$551,455 to students to help offset the cost of the Summer Sea Term. Additional awards included:

- Class of October '46 Tomb Speaker Series – \$5,000
- Charles Balancia Scholarship (incoming 4th Class Engineering Cadet) – \$1,000
- Class of '67 Sallyport Scholarship – Two awards of \$500 each
- Class of '67 Scholarship – Two cadets, \$2,250 each per semester, totaling \$9,000

Since 2004, the FSMAA has donated over \$5.4 million to students and Maritime College.

L to R: Peter Austen '87, AJ McAllister '80, President, Steve Carbery '80 & Treasurer, Sam Reilly '95 at the 2024 Golf Classic.

It has been an honor to serve the Maritime College Alumni Association in various capacities—first as a Board Member beginning in 2019, Assistant Treasurer in 2021, and now as Treasurer since 2022. As a proud member of the Class of 1995, I'm continually inspired by the strength and generosity of our alumni community. Outside of my work with the Association, I enjoy competitive sailing and fast cars—both reminders that precision, balance, and momentum matter in all pursuits.

– Sam Reilly

Membership

Membership dues in 2024 were down compared to 2023. If you have already paid your dues—thank you for your continued support. If not, I encourage you to do so. Your contributions are vital to sustaining MCAA programs and events.

If you haven't attended an event recently, please join us—you'll reconnect with shipmates and help strengthen our mission. And if you know a fellow alum who isn't involved, invite them along. Although our partnership with the College is once again strong, there are more than 15 graduating classes unfamiliar with who we are. Rebuilding our visibility and stature—once strong in the '70s and '80s—will take all of us working together.

Auditing & Bookkeeping

Audit: Weaver and Tidwell, L.L.P., has completed our

2024 financial statements, and the MCAA received a clean audit with no significant findings.

Bookkeeping: Managed by Verma Associates since 2011, with Kamal Verma providing dedicated service to the MCAA.

Assurance Statement

The consolidated financial statements in this report accurately reflect the MCAA's financial position, results of operations, and workflows. They have been prepared in accordance with Generally Accepted Accounting Principles (GAAP) in the United States. I have reviewed these statements and, to the best of my knowledge, they contain no untrue material statements and omit no material facts.
