ALUMNI
ASSOC.

35TH
ANNUAL
GOLF CLASSIC

The Maritime College Alumni Association (MCAA) is pleased to announce our **Thirty-Fifth Annual Golf Classic** is scheduled to take place on Monday, **June 10, 2024**.

Moving to New Jersey, you will play the historic **Plainfield Country Club** in Edison, New Jersey. Established in 1890 and features a Donlad Ross design - you will not be disappointed in the golf and beauty. YouTube video [HERE](#)

You will enjoy 18 holes of golf, an extensive brunch, cocktail hour, followed by dinner, and auction. The evening will conclude with a brief program offering gratitude to our sponsors and dedicated volunteers. Each foresome will be assigned a forecaddy.

Tickets for the cocktail hour and dinner without golf are available!

As one of the MCAA's most popular events of the year, we expect registration to sell out quickly. We are **capped at 120 golfers**, so don't hesitate to secure your place on the green. If you are a Fort Schuyler graduate, a recognized name in the maritime industry, or you work for a company that benefits from the talent coming out of Maritime College, you will want to join us at PCC on June 10th.

This premier event provides vital funding for Maritime College students and promotes MCAA's educational, networking, and scholarship initiatives. A portion of each registration and sponsorship is tax deductible.

Thank you in advance for your support.

Fraternally,
