ADMIRAL SPONSOR

Dear Alumni and Friends,

Welcome to the Maritime College Alumni Association (MCAA)'s 32nd Annual Golf Classic! In all the years that the MCAA has been hosting this event, never has the word "welcome" been so resoundingly meaningful.

In the wake of this challenging year, and on behalf of the entire MCAA organization, thank you for joining us today. I also extend our deep appreciation to this year's sponsors and supporters listed on page 4. The continued participation of our members and friends like you is what keeps our organization thriving.

There is one company that deserves an added touch of recognition, our Admiral Sponsor for many years, McAllister Towing & Transportation. Captain Brian McAllister '56 and Captain AJ McAllister '80 are two of the strongest advocates of the MCAA's mission. Thank you, Brian and AJ for your many years of generously supporting the Golf Classic.

Additionally and importantly, this day would not come together without the leadership of the Golf Classic Committee, the MCAA Board of Directors, and the MCAA staff. These dedicated and talented individuals are listed on page 5.

The MCAA is committed to strengthening comradery and career networking for Maritime alumni, and to providing scholarships and career opportunities for current students. This community is the lifeblood of the maritime industry and the bonds run deep in our alumni network.

Keeping our mission in mind, please make the most of this day. Soak in the beautiful surroundings while (re)connecting with friends old and new. Whatever your ties to Maritime may be, we are glad that you are here with us today. Welcome!

Regards,

Kevin Danko '95

President of the Maritime College Alumni Association
